

Christmas in HAHNDORF

2020 Christmas in HAHNDORF is going to be a little different this year as I am sure we all realise!!

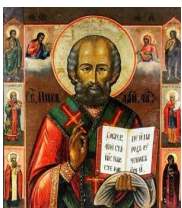

In a year that has provided us with some very unpredictable and unnerving moments, we can begin to look forward to Christmas, that special time of year to be with family and friends and plenty of fun and games perhaps to be had in the parks!

As a Village, the events held during the festive season help to foster a sense of togetherness and community amongst locals and it is with regret due to Covid-19, and like many other community events, the annual 'St. Nicholas Comes to Hahndorf Parade' will not go ahead. It is with hope that we will see this parade return to the Main Street in 2021, to the joy of many children and young at heart.

Whilst many of the much-loved past years events will not take place this year, the Hahndorf Business & Tourism Committee and Hahndorf Traders are preparing to lift the spirits and entice Christmas shoppers to Hahndorf with Late Night Christmas Shopping. It will run on two Fridays in December - 4th and 11th with traders encouraged to stay open until 8pm and the Hahndorf Town Band performing on the 11th. Be sure to SHOP LOCAL and support our traders who stock some wonderful and unique gifts this Christmas.

Do yourself a favour and go and view the lovely decorated shop windows full of Christmas Cheer! It will sure put a smile on your face.

Traditionally, St. Nicholas was the main character in Christmas celebrations for some western European countries, and different to Santa Claus: St. Nicholas arrived earlier - on the 6th of December. The traditional St. Nicholas is a far cry from the Santa we have come to know in the west, with a big belly and a bushy white beard, we love him and the nice day he brings to us.

HAPPY CHRISTMAS
